Day 2 - 28/6

The first morning on Hammerhead I will begin with a delicious breakfast served to you by our chef and his team. Following this, our cruise director will give the welcome briefs as we start to sail to our check dive location.

Once everyone is feeling comfortable the journey to North & Tiran begins.

Day 3 to 6 - 29/6 to 02/7

The next 4 days we will stick to a similar schedule. Diving, eating, sleeping and repeating. Sounds easy right? We will prepare to make three dives per day, each with at least a two hour surface interval which will include night dives at the sites where this is permitted.

Day 7 - 03/7

It's now the end of the week and time to head back to the marina. But don't worry, we will still dive this day. We start with the morning dive, followed by a second dive as we move closer to Hurghada. Arriving at the marina in the afternoon give you the opportunity to explore the local area. Snacks and dinner we have the last evening on board.

Day 8 - 04/7

Today its check out day! It's time to say goodbye to all the new friends you have made during the week and a final thank to all crew. Check out from the cabins is at 09:00 and from the boat at 15:00. Don't forget to let us know if you like us to pre arrange your transfer.
